

further discussion? Machine broke down, sorry about that. Senator Warner, did you wish to speak further on the...all right. We have the technicians at work fixing the machine. We'll be all right here in a little while. The question is the advancement of the bill. All those in favor vote aye, opposed nay. Please vote if you care to. We are voting on the advancement of the bill. Record, Mr. Clerk, please.

CLERK: 28 ayes, 0 nays on the motion to advance LB 501, Mr. President.

SPEAKER NICHOL: The bill is advanced. Move on to number 8, LB 83. Mr. Clerk.

CLERK: Mr. President, the first motion I have on LB 83 is a motion to suspend Rule 3, Section 17 so that LB 83 be placed on General File notwithstanding the action of the Public Works Committee.

SPEAKER NICHOL: Senator Warner, please.

SENATOR WARNER: Mr. President, and members of the Legislature, the effort here is to again reflect one of the proposals that was on the list that was compiled by the Governor's Office and also reflects one of the amendments that was filed on LB 722, and it also reflects one of the amendments that is included in the Appropriations Committee's recommendations. LB 83, you may recall, was a bill introduced by I believe Senator Lynch to increase a driver abstract from \$1.00 to \$4.00 for those who acquire them. The Appropriations...excuse me, the Public Works Committee had indefinitely postponed the bill and then when the problems had developed one of the suggestions was to increase it from \$1 to \$2. That is the motion, to suspend the rule and to revive the bill because of the time limit that has been spent since the bill was reported in as indefinitely postponed. From the information that I have at least there are...apparently of all the states there are two states at \$1, Nebraska and I believe Wyoming. There are two states at \$1.50. There is one state \$1.75. Ten states at \$2.00, \$2.50 each in two states. Six states at \$3.00. One state at \$3.50. There are eight states that the median amount charged is \$4.00. There are three states at \$4.50, 11 states at \$5.00, two states at \$7.00, one state at \$10. And obviously we are at the low end. As I understand it the cost to the department is...depends on how you figure it.
